Being an Internet Legend means being Sharp, Alert, Secure, Kind and Brave. To demonstrate these qualities, I plan to stick to the following guidelines:

Think Before You Share

I will thoughtfully consider what I share and with whom, and keep extra-sensitive information to myself (e.g. home address, current location, other people's business).

Check it's For Real

I will watch out for phishing and scams, and report questionable activity every time.

Protect Your Stuff

I will take responsibility for protecting important information by crafting strong and unique passwords with characters, numbers, and symbols.

Respect Each Other

I will spread positivity and use the skills I have learned to block and report negative behaviours.

When in Doubt, Discuss

I will use my voice when I notice inappropriate behaviour and seek out a trusted adult to discuss situations that make me uncomfortable. Because that's what it takes to be a safer, more confident explorer of the online world.
